Cain Blythe CEnv MCIEEM

Chief Executive and Founder

KEYNOTE / PANEL / FIREPLACE / WEBINAR / PODCAST

Cain Blythe is the founder and chief executive of CreditNature and of the nature consultancy Ecosulis, and co-author of Rewilding: The Radical New Science of Ecological Recovery with Dr Paul Jepson. A LinkedIn Top Green Voice and inaugural ENDS Report Power List member, his mission is to rewild half the planet by 2050.

FEATURED RECORDING

Second Nature, Oxygen Conservation

"Stop Trying To Save Nature! This Is How We Actually Fund It"

27 AUGUST 2026 · 84 MIN

SIGNATURE SPEAKING TOPICS

01 **Hard Sustainability**
Why disclosure without measurement is the new greenwash.

02 **You cannot finance what you cannot measure**
Building integrity into nature markets.

03 **Nature as infrastructure**
From voluntary market to sovereign balance sheet.

04 **Rewilding half the planet by 2050**
The science and the business case.

05 **Nature in the age of AI**
What machine intelligence changes about measuring ecosystems.
